- Provide caseload management and direct services for students on IEPs, 504 accommodations, and MTSS plans.
- Assist students with specialized reading or math curriculum to meet goals of Individualized Education Plans.
- Assist small groups and individuals with planning class lessons and reinforcing executive functioning skills.
- Work collaboratively and instruct general education teachers and parents on ways to meet identified goals of student.

Administrative Duties:

- Preparing classroom materials, assuring and documenting legal compliance to learning plans, maintaining files.
- Administering AIMSWEB testing, collecting progress-monitoring data and documenting student achievement.
- Scheduling meetings with parents, scheduling standard testing, and creating class rosters.
- Implementing MTSS and identifying students through STAT team services for general education students.
- Reliability to maintain confidentiality as required by special-education policy and student privacy compliance.

Minimum Requirements:

- Desire and willingness to learn about Liberty's history and philosophy and to uphold and promote the mission and values of the school.
- BA/BS in special education or specific academic field. Content knowledge is essential.
- Experience working with children with a variety learning disabilities.
- Adept interpersonal skills conducive to achieving these skills and duties.
- Ability to manage multiple tasks, use time efficiently, detail oriented, follow instructions, and adhere to Academic Support Coordinator direction.
- Proven ability to work in a collaborative team environment with innovation and flexibility.

Preferred Characteristics:

- Understanding of Liberty Common School's history and a commitment to maintaining and promoting the school's mission and values.
- Colorado teaching certificate with appropriate endorsements in special education for mild to moderate disabilities.
- MA/MS in special education or specific academic field. Content knowledge is essential.
- Experience with secondary school resource programs, PBIS or MTSS Interventionist training.
- Strong organizational and interpersonal skills.
- Strong academic background and proficiency in teaching math (Alg. I, Geo, Alg. II) and science (Bio, Chem.)
