FULL-TIME INSTRUCTOR
JUNIOR-HIGH AND HIGH-SCHOOL
COMPUTER-SCIENCE & MATH

Seeking a full-time computer-science & math instructor for the 2021-2022 school year (target start date of Mon 9 Aug 2021) at Liberty Common School in Fort Collins, Colorado – a Poudre School District charter school dedicated to Core Knowledge principles, and college-preparatory instruction. The school currently enrolls approximately 1150 students in grades K-12.

LCHS provides excellence and fairness in education by teaching: 1) a contextual body of organized knowledge, 2) the skills of learning, and 3) the values of a democratic society. This is done through parental choice, partnership with teachers, and student acceptance of responsibility for his/her academic effort.

The instructor has responsibility for program planning, curriculum development, and delivery of computer-science and math classes for junior-high and high-school students, in cooperation with the school’s existing computer-science and math departments. Classes potentially include 7th-Grade Computer Essentials (typing, Microsoft Office, Google Docs, and basic computing skills), Introduction to Programming (Python), Computer Security Fundamentals, Algebra 1, and Algebra 2. Applicants should be dedicated to a strong skills and knowledge-based curriculum, and dedicated to high student achievement.

Minimum Requirements:
- Desire and willingness to learn about Liberty’s history and philosophy and to uphold and promote the mission and values of the school.
- BA/BS in computer science, math, or related discipline, or equivalent combination of relevant education and experience.
- Demonstrated ability to work effectively in one or more teams.
- Demonstrated effective classroom teaching ability.
- Abilities to sit and stand (conducive to an office environment) for extended periods of time.
- Ability to lift and move loads of up to 30 pounds over short distances.

Preferred Characteristics:
- Understanding of Liberty Common School’s history and a commitment to maintaining and promoting the school’s mission and values.
- MS/MA in computer science, math, or related discipline, or equivalent combination of relevant education and experience.
- Experience or background in teaching higher-level computer science (AP computer science).
- Experience or background in networking and/or computer security.

Compensation:
- Annual salaries start at $40,000 (possibly higher based on background, experience, and/or institutional alignment).
- Enrollment in Colorado’s Public Employees Retirement Association (PERA) and employer contributions to your PERA retirement account.
- Earned sick leave in accord with Colorado’s Healthy Families and Workplaces (HFWA) Act.

For more information about Liberty Common School, see [http://www.libertycommon.org](http://www.libertycommon.org).

Applications must include a letter of application, resume, statement of educational philosophy, transcript photocopy, and three references with phone numbers. This job posting will remain open until the position is filled.

Mail to: Mr. Torgun Lovely, Principal, Liberty Common High School, 2745 Minnesota Dr., Fort Collins, CO 80525. Or e-mail to: [tlovely@libertycommon.org](mailto:tlovely@libertycommon.org)
