Employment Opportunity **7th -12th GRADE SCIENCE/MATH TEACHER**

Seeking a 7th-12th grade Science and Math Teacher beginning August 2010 at Liberty Common and Liberty Common High School, a Poudre School District charter school dedicated to Core Knowledge principles. The school currently enrolls over 570 K-9 students and anticipates development of a high school beginning August 2010.

Liberty Common School offers a unique classical educational program. The school provides excellence and fairness in education by teaching 1) a contextual body of organized knowledge, 2) the skills of learning, and 3) the values of a democratic society. This is done through parental choice, partnership with teachers, and student acceptance of responsibility for his/her academic effort.

The 7th -12th grade Science and Math Teacher has primary responsibility for program planning, curriculum development, and delivery of part Science and part Math instructional program for the school's 7th - 12th grades. These classes include, but are not limited to, Chemistry, Biology, Physics, Geometry, and Pre-Algebra. Applicants should be dedicated to a strong skills and knowledge-based curriculum, and dedicated to student achievement.

Minimum Requirements:

- BA/BS in Science and Math or related discipline, or equivalent combination of relevant education and experience
- Ability and willingness to teach a variety of subjects over the few years of expansion
- Demonstrated effective classroom teaching ability

Preferred Characteristics:

- Demonstrated ability to work effectively in multiple teams
- MS/MA in Science and Math or related discipline, or equivalent combination of relevant education and experience
- Proficiency with Microsoft Office, Outlook, internet utilization, and general aptitude for learning new software applications
