Headmaster Writing by Russ Spicer

Thankful!

I love this time of year because it provides an opportunity to slow down and reflect upon the things for which we are thankful. In the business of everyday life, taking the time to "stop and smell the roses" often does not take place. During this season of Thanksgiving, it seems more than appropriate to list some things about Liberty Common School for which to be thankful. Inevitably there will be items that were inadvertently left off, but I hope this list captures many of the great things happening at our wonderful school (K-11).

We are thankful to The Liberty Common School for:

- Our founding parents, who worked so diligently to create this awesome school.
- Our Board of Directors (Crissy Kopren, Dan Provaznik, Amy Redstone, Mark Sutherland, Cassy Turner, Jeff Webb, and Bill Werst)who selflessly volunteer their time, energy and expertise to govern the school and stay true to Liberty's mission.
- Teachers, who are well educated, disciplined, ethical, devoted, caring, and professional.
- The Academic Support Team that works many hours helping children with special education needs and learning plans.
- A front office staff that holds our schools together on a daily basis.... Thank you thank you, thank you to Bev Hanawalt, Jill Ronen, Julie Russell (LCS) and Susan Groeger, Marilyn Pullin and Marianne Rieb (LCHS).
- Custodians who take pride in the work they do. Way to go Richard Rencher (LCS), Jose and Viola Olveda (LCS) and Don Rappenecker and Tim Stoltz (LCHS)!
- Teachers' Aides who are willing to do anything asked of them – recess duties, reading groups, grading papers, subbing for the teacher, and loving the children.
- Angie Selgren, Susan Groeger and Tina Spicer for providing great care for the children when they are injured or sick.
- A lunch program that provides a good meal and is run in an efficient manner thanks to Mrs. Julie Russell and Mrs. Susan Groeger
- Dedicated, brilliant, and professional Principals (Casey Churchill – Elementary, Bob Schaffer – High School) that never waiver from doing what is right and constantly strive for excellence.
- A College Counselor, Jesse Morrill, who is magnificently preparing and positioning our students to successfully transition into the college of their choice.
- A Business Manager, Tim Ricketts, who superbly manages our money and thoroughly understands school finance.
- A rigorous and rich curriculum that includes Core Knowledge, a Classical education, Singapore, Writing with Structure and Style, Shurley Grammar, Thompson Grammar/Vocabulary/Poetry program, Latin, Spanish, French, English, History, Engineering, Literature, Composition, Science, Computers, Math, Fine Arts, and Performing Arts.
- Parents who are involved with the education of their children.
- Dress code!
- Choice in education.
- Physical education, intramural and athletic programs that are committed to excellence.

How to Reach Us

- Our office hours are **7:30-4:00 p.m.**
- Our telephone number is **(970) 482-9800**
- Our attendance line is **(970) 482-9800, option 2**, please call by 8:30 a.m.
- Please note that you may go to your student's classroom and wait for them to be dismissed only after 2:50 p.m.
- If you need to take your child to an appointment during school hours, please come to the Front Office, sign them out and we will call them out of class.
- All students who arrive after 8:00 a.m. must be signed in at the Front Office. It is important that a reason be written as this determines if the tardy is excused or not.
- Our school closes at 4:00 p.m. All students need to have left the building by 4:00 p.m. or chaperoned by a parent or guardian.

Attention Parents: Picking Up Your Child After School

If you pick up students in the playground area (middle pick up), we are asking that you pick up your child and move your car forward through the line. We have noticed a lot of cars stacking up. This causes the carpool line to back up onto Sharp Point. The staff will be asking students to not play on the play equipment outside so that they can get to their cars. This should help keep the line moving.

If you would like to allow your child time to play, we would ask that you park your car and accompany them to the playground. Thanks for your help with this.

Calling All Kindergarteners for 2012-2013 School Year

We have begun filling our Kindergarten sibling spots for next year. If your child is planning on attending Kindergarten at Liberty next year, 2012-2013, please call the Front Office or stop by and speak with Bev Hanawalt. Don't delay as spots are filling quickly.

6th-8th Grade Girls Soccer News

Who's ready for soccer? This spring will be the first time that Liberty will field a junior high girls' soccer team! My name is Chuck Hubbeling and I'm excited to be the coach of the Liberty Eagles this spring. I have been certified at the state level with an "E" license and coached girls soccer for eight years of which four are at the 6th to 8th grade level.

My philosophy is that Liberty soccer is an extension of the school. Consequently, we will work hard, play to the best of our ability and reflect a high standard of conduct. Before the season begins, I am inviting all girls grades 6-11 to join in on one or more of the kick-around dates. We meet at LCS soccer field.

Kick-around Dates - (Schedule is subject to change):

12/3: 11:30-1:30

12/17: 11:30-1:30

1/7: 11:30-1:30

1/21: 1-3:00

2/4: 1-3:00

I look forward to seeing you there! Dr. Hubbeling

Precious Time With Grandparents

By: Bob Schaffer, LCHS

Mine are all gone now, and I really miss them. My last grandparent passed three years ago. Our youngest daughter Mary (LCS 6th grader) is named after her.

A resident of Colorado Springs, my Grandma Mary Schaffer got to see a lot at Liberty. She cheered for us when we helped start the school. She watched all five of our kids – her great grandchildren – receive academic awards, perform in plays and compete in sports at Liberty.

There's a certain comfort knowing she was intimately familiar with Liberty. She had a high opinion of our school, our teachers and our community.

She died knowing her great grandkids were in capable hands and on the right track. Prior to her death, I had no idea how much those kinds of things would eventually matter. Trust me, they really do.

This year's Thanksgiving observance is preceded by our second-annual Liberty Grandparents Day. Last year my in-laws were able to attend. This year, my mom and dad are traveling from Ohio to attend.

Starting at the elementary school, grandparents will receive an introductory briefing from Headmaster Spicer and Principal Casey Churchill. Then they'll be off to class with their grandscholars.

In the afternoon, grandparents of highschoolers (grades 7-11) will be entertained by our musical artists before touring the classrooms and sitting in on lessons throughout our new high-school facility.

The number of attendees exceeds everyone's expectation. As such, we earnestly request parents and other non-grandparents to avoid being in the school tomorrow.

Please also be mindful of the extra traffic. Please be as efficient as possible when dropping off kids and grandparents tomorrow morning. We'll have extra personnel working the parking lots to assist.

If last year was any kind of preview, this is going to be a spectacular event. It will be an occasion to demonstrate respect, admiration and gratitude for family.

It will be a perfect kickoff to the Thanksgiving holiday upon which we reflect on our many blessings, and, especially at Liberty, celebrate the precious time our kids have with their grandparents.
