

Donations to Liberty Common School/Liberty Common High School

“Thank you for supporting our efforts here at Liberty Common School. Every dollar donated helps us deliver Colorado’s finest education to more children.”

— Ms. Gretchen Meister
Liberty 2nd-grade teacher

Thank you for supporting Colorado’s best-performing charter school. Few things are more important than preparing children for academic success.

Liberty Common School and Liberty Common High School depend upon supplemental income in the form of gifts, grants and donations.

Whether your donation can be in the thousands or whether it can be \$500, \$250, \$100, \$50 or even \$35, it really matters to the school right now.

Please be generous. Make out your check right now. Simply mail or drop it off at the front office and **make it payable to Liberty Common School.** Please make a notation that your check is a contribution to the school. If you have a specific intention for the contribution, please indicate. Otherwise, your donation will be applied to the school’s unfunded operational and technology improvements.

Your gift is fully tax deductible (Federal non-profit ID # 84-1404585). Please include your name and mailing address for proper confirmation and attribution.

Thank you for helping Liberty Common School keep our academic performance high and for helping make sure every Liberty graduate is fully prepared for college success.

Liberty’s mailing address is: 1725 Sharp Point Dr., Fort Collins, CO 80525
